Dear Frank,

I just wanted to drop you a line to say thank you! You and your staff at West coast auto body did a fantastic job on my '95 convertible camero. The body came out excellent, and the paint looks like glass. You can't even tell it was wrecked! I really appreciate the fast, freindly service, and the quality of the work. I don't know how you guys got that rear panle back to it's original shape, but it looks awesome. Because you guys did such a great job, I have decided to keep the car, and put a new ground effect kit on it. When i'm ready to have it installed and painted, I'm deffinatly bringing the car back to your shop! Once again, I just wanted to say THANKS and Let you know that I am going to refer everyone I know to your shop.

Thanks for the great work,
J. R. Samayoa
